

.NETIDS v.0.1.0.0 released

Cite as: Martin Paul Eve, ".NETIDS v.0.1.0.0 released", *eve.gd: Martin Paul Eve*, June 19, 2007, <https://doi.org/10.59348/a3ncb-d0j27>.

After much testing/tweaking the first release of .NETIDS is upon us!

Featured in this release:

- automatic String.fromCharCode conversion and detection
- new and optimized filter rules
- improved halfwidth/fullwidth encoding detection
- enhanced UTF7 converter
- enhanced nullbyte detection
- page output/fragmented XSS scanning
