I'm pleased to announce the publication of the open access booklet, Collins, Ellen and Milloy, Caren and Stone, Graham, [Guide to Creative Commons for humanities and social science monograph authors](#), Baker, James and Eve, Martin Paul and Priego, Ernesto (eds.), OAPEN-UK and Jisc Collections: 2013. As you can see from that list, I was privileged enough to be invited to edit this important guide. It's CC-BY, so take, spread and re-use as you see fit!
